Mother School Mission Center

1st English Duranno Mother School in Malaysia

The Duranno Mother School is a spiritual movement started in 1999 at Seoul with a goal to nurture all mothers into spiritually healthy women who live by the words of Jesus Christ, serving their families and churches faithfully in order to reinvigorate families and to aid the churches. Moreover, it is an inter-religious movement centered on regular church-goers, overcoming racial and religious differences.

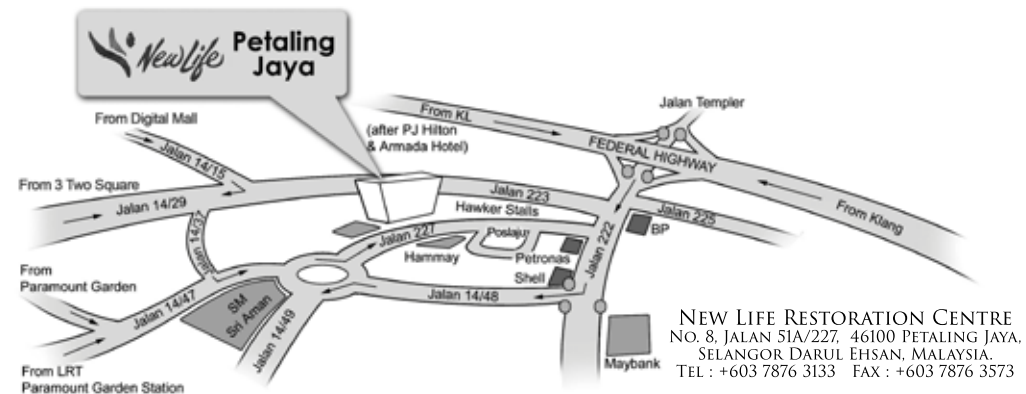

The first Mother School in Malaysia was held in 2006, and since then more than 580 mothers have participated in this program. Staff members from Korea, Singapore and Indonesia served and participated in this inter-religious program. The Mother School program consists of fellowship, praise and worship, lectures, testimonies, sharing and ceremonies. Monthly meetings are held after the completion of the program in order to further our purpose in acting as supportive mothers and spouses. Our goal is to shape our society into a better place, overcoming challenges through the power of the Holy Spirit.

With the guidance of the Holy Spirit, we are pleased to announce the very 1st English Duranno Mother School which is to be held in Kuala Lumpur, to learn how to fulfill the role of spouses and mothers.

We look forward to your prayers and support. We thank you for all the love and encouragement that you have given the Mother School in Malaysia. We pray that your church continues to serve in the glory of our Lord.
