*“A woman who fears the LORD is to be praised”
(Proverbs 31:30)*

The Duranno Mother School is a spiritual movement open to women of all walks of life. It started in 1999 at Seoul with a goal to nurture all mothers into spiritually healthy women who will live by the words of God, serving their families and communities faithfully.

The first Mother School in Malaysia was held in 2006, and since then more than 800 mothers have participated in this program. Staff members from Korea, Singapore and Indonesia have served and participated in this movement. The School’s program consists of fellowship, praise and worship, lectures, testimonials, sharing and ceremonies. An alumni group is formed after the completion of the program to facilitate mutual support. Our goal is to help shape our communities into a better place, overcoming challenges through the power of the Holy Spirit.

We are pleased to announce the 5th English Duranno Mother School which is to be held in Malaysia, to learn how to fulfil the role of spouses and mothers. We look forward to your participation, prayers and support. We thank you for all the love and encouragement that you have given to the Mother Schools in Malaysia thus far.
